Please help us get to know you by completing the questions below:

1. When I have free time, I enjoy . . .
2. I like learning about . . .
3. Believe it or not, there are some activities or topics I don't enjoy . . .
4. If you had to describe myself using no more than 5 words, they would be . . .
5. Other ministry/volunteer/serving/experience I have done, especially involving youth, include (parenting counts!) . . .

OVER

6. On a scale of 1 (uncomfortable) to 5 (completely comfortable), I am familiar with various mental health and/or poverty issues and their impact on students, their learning and engagement with school, and in relational contexts.

1                      2                      3                      4                      5

7. I am comfortable working with students who have various mental health/poverty issues. (Examples may include depression, despondency, social anxieties, loneliness/isolation, low self-worth, anger, behavior issues, academic problems, broken families and/or guardianship; transportation, hunger, financial strain, etc.)

1                      2                      3                      4                      5

8. Additional information about yourself that might assist BUOY with making a good mentor/mentee match.....

**Thank you!**
